

9/5/02

Southern California Water Company
Total Chromium and Chromium VI Results
Southwest District System

DLR = 10 µg/L

<i>Total Chromium</i> <i>Groundwater Samples</i> <i>Samples taken Q4 2000 & Q1 2001</i>		
<i>System Name</i>	<i>Range of Detection</i>	<i>Average Level</i>
Southwest	ND	ND

ND = Not Detected

*DLR = Detection Limits for Purposes of Reporting

NA= Not Analyzed

µg/L = Unit of Measurement / Part Per Billion

* Please note: The California Department of Health Services has recommended using the DLR of 10 µg/L for Total Chromium.

DLR = 1 µg/L

<i>Chromium VI</i> <i>Groundwater Samples</i> <i>Samples taken Q4 2000 & Q1 2001</i>		
<i>System Name</i>	<i>Range of Detection</i>	<i>Average Level</i>
Southwest	ND	ND

ND = Not Detected

*DLR = Detection Limits for Purposes of Reporting

NA= Not Analyzed

µg/L = Unit of Measurement / Part Per Billion

* Please note: The California Department of Health Services has recommended using the DLR of 1 µg/L for Chromium VI.
