Advice Letter No. 1449-W

(U 133 W)

California Public Utilities Commission

Golden State Water Company ("GSWC") hereby transmits one original and three conformed copies of the following tariff sheets applicable to its Water Operations:

<u>CPUC Sheet No.</u>	<u>Title of Sheet</u>	<u>Canceling CPUC Sheet No.</u>
Revised No. 6120-W	Sample Form No. 6 Notice of Termination	Revised No. 5837-W
Revised No. 6121-W	Table of Contents Page 4 of 4	Revised No. 6117-W
Revised No. 6122-W	Table of Contents Page 1 of 4	Revised No. 6119-W

Subject: *Change to Sample Form*

Purpose

GSWC is filing this advice letter to update its Form No. 6, Notice of Termination. GSWC is proposing to add a section to Form No. 6 ("Form") for the serving serviceperson to note the action taken on the day the notice was posted on the doors of the residents of a multifamily complex. This information will be entered on the customer account in GSWC's new Customer Care and Billing system ("CC&B").

Background

In preparation of the new CC&B, set to go on line on September 6, 2011, GSWC desires to have the proposed Form in place to make it easier to serve and note multifamily accounts that have been given a termination notice. The current procedure requires the serviceperson the carry a supply of the Form with them and it doesn't have a note taking section. The new CC&B will allow the serviceperson to print the Form on an as-needed basis and the new note taking section will be used to record any actions/condition of the property for record keeping. The note taking section enhances and extends the functionality of the Form and complements the capability of the new CC&B.

The existing Form incorporated the provisions outlined in California Senate Bill No. ("SB") 120, which required GSWC's Notice of Termination to be printed in English, Spanish, Chinese, Tagalog, Vietnamese, and Korean. The existing Form became effective on July 1, 2010.

Request

GSWC is requesting in this advice letter to update its Form No. 6, Notice of Termination, to incorporate a note taking section for the serviceperson serving the notice to residents of a multifamily residence. GSWC will be able to track the activity and condition of the property at the time the notice is posted and record the information on the account in CC&B.

Tier designation

Pursuant to D. 07-01-024, this advice letter is submitted with a Tier 1 designation.

Effective date

GSWC is requesting that this advice letter filing become effective on September 6, 2011.

Protest And Responses

Anyone may respond to or protest this advice letter. A response supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter. A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

- (1) The utility did not properly serve or give notice of the advice letter;
- (2) The relief requested in the advice letter would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
- (3) The analysis, calculations, or data in the advice letter contain material error or omissions;
- (4) The relief requested in the advice letter is pending before the Commission in a formal proceeding; or
- (5) The relief requested in the advice letter requires consideration in a formal hearing, or is otherwise inappropriate for the advice letter process; or
- (6) The relief requested in the advice letter is unjust, unreasonable, or discriminatory (provided that such a protest may not be made where it would require re-litigating a prior order of the Commission.)

A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

A response or protest must be made in writing or by electronic mail and must be received by the Water Division within 20 days of the date this advice letter is filed. The address for mailing or delivering a protest is:

Tariff Unit, Water Division, 3rd floor
California Public Utilities Commission,
505 Van Ness Avenue, San Francisco, CA 94102
E-mail: water_division@cpuc.ca.gov

On the same date the response or protest is submitted to the Water Division, the respondent or protestant shall send a copy by mail (or e-mail) to us, addressed to:

Golden State Water Company
ATTN: Ronald Moore
630 East Foothill Blvd.
San Dimas, CA 91773
Fax: 909-394-7427 or
E-mail: regulatoryaffairs@gswater.com

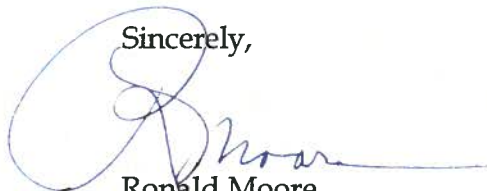

If you have not received a reply to your protest within 10 business days, contact this person at 909-394-3600.

Cities and counties that need Board of Supervisors or Board of Commissioners approval to protest should inform the Water Division, within the 20 day protest period, so that a late filed protest can be entertained. The informing document should include an estimate of the date the proposed protest might be voted on.

The actions requested in this advice letter are not now the subject of any formal filings with the California Public Utilities Commission, including a formal complaint, nor action in any court of law.

No individuals or utilities have requested notification of filing of tariffs. Distribution of this advice letter is being made to the attached service list in accordance with General Order No. 96-B.

Sincerely,

Ronald Moore
Senior Regulatory Analyst
