SPECIAL CONDITIONS

1. The applicable special charges provided for herein are in addition to the charges calculated in accordance with any applicable rate schedule. At the sole discretion of the utility, the collection of the special charges under this schedule may be waived.
2. The non-business hours rate is to be applied whenever the customer requests that electric service be turned on or reconnected outside regular business hours and within four hours after the request is received.
3. The turn-off notice charge may be charged whenever the utility is required to dispatch a serviceperson to hang a turn-off notice at a customer's premises for nonpayment.
4. Clean and Show is a temporary service (not to exceed three days) which may be used to allow the owner or landlord to prepare the premises for subsequent sale or rental. Dates for initiating and terminating the service shall be established at the time this service is requested. The rate requires that the customer give not less than 48 hours advance notice to the utility and includes one connection and one disconnection, which shall be performed during normal business hours. If less than 48 hours notice is given to the utility, or if service is requested to begin the same day, after normal business hours or on weekends, then Service Establishment and Reconnection Charges for Expedited service shall apply.
