SPECIAL CONDITIONS

1. A new applicant for service shall advance an amount equal to the service charge for a period of twelve months. This advance will be credited to applicant's account against which charges for water service will be debited until the advance is depleted. When no credit remains applicant will be billed at the monthly rate above. No refund will be made upon disconnection of service if less than twelve continuous months.
2. The Service Charge will be based on the meter size which would have otherwise been required absent the fire service requirement.
3. For the purposes of fire protection under this schedule, the utility will supply only such water at such pressure as may be available from time to time as a result of its operation of the system. The customer shall indemnify the utility and hold it harmless against any and all claims arising out of service under this schedule and shall further agree to make no claims against the utility for any loss or damage resulting from service under this schedule. Section 774 of the Public Utilities Code limits the liability of the utility resulting from a claim regarding adequacy of pressure of supply for fire protection service.
4. All bills are subject to the reimbursement fee set forth on Schedule No. UF.
